

Cherry Orchard Primary School Eco-Code

Everyone helps the environment

Can you recycle that?

Outdoors we can get close to nature

Everyday do your bit to reduce pollution, walk when you can!

Animals we can help too

Reduce, reuse, recycle

Tasting British fruits, YUM!

Have a compost heap

Live in a natural world

Inside we can grow plants

Never leave electrical appliances on standby

Grow fruit and vegetables in the nature area

Save our school, save our environment!
