

Spiritual, Moral, Social and Cultural Education at Cherry Orchard Primary School

We care, we learn, we succeed.

Definition

At Cherry Orchard Primary School, we take a whole school approach to the promotion of pupils' spiritual, moral, social and cultural education, which is promoted through the school curriculum, whole school ethos and development of positive attitudes and values.

This policy supports and reinforces our whole school ethos of, '*We care, we learn, we succeed,*' and promotes our core values of *equality, respect, friendship, honesty, courage and understanding*.

Principles

- Spiritual, Moral, Social and Cultural Development is imperative for individual pupils and it is crucial for society as a whole. We believe it is the heart of what education is all about - helping pupils grow and develop as people and effective participants in modern Britain.
- It is an expectation at Cherry Orchard School that all staff, in all subjects, can and should make a contribution to the Spiritual, Moral, Social and Cultural Development of pupils through the curriculum and use of appropriate teaching and learning strategies e.g. discussion, reflection, pupil participation, circle time etc.
- Spiritual, Moral, Social and Cultural Development is cross curricular and promotes the aims and principles of other key policies such as PSHE, RE, Collective Worship, Relationship and Sex education, Race Equality, Disability and Equal Opportunities These policies all underpin our whole school ethos.
- The importance of relationships between all school staff, parents and governors is crucial. These relationships will be characterised by mutual respect, by positive attitudes, by the willingness to listen and be listened to and by the valuing of all pupils.

Spiritual Development

This relates to the quest for individual identity and the search for meaning and purpose in our existence. It leads towards the understanding of self and others. It has to do with feelings, emotions, attitudes and beliefs. It is not linked solely to a particular doctrine or faith and spiritual development is therefore accessible to everyone.
